MESSAGE FROM THE WINEMAKER, JENNIFER WALL

Hello Friends!

We are pleased to be sending you the third edition of the J. Lynne Russian River Valley Wines 2008 newsletter. Here at J. Lynne Wines, we focus on making high quality, small production, hand crafted wines from the Russian River Valley. We've been doing this since the 2002 vintage.

After enjoying over 9 months in French oak, both the 2007 J. Lynne Russian River Valley Chardonnay and Pinot Noir were pumped out of barrels and bottled.

A record 600 cases of 2007 J. Lynne Single Vineyard Russian River Valley Chardonnay were produced. For the first time ever, the Single Vineyard verbiage is included on the package in addition to the specific vineyard designation: Cameron Ranch.

Additionally, 973 cases of 2007 J. Lynne Two Vineyard Russian River Valley Pinot Noir were produced. This 100% Russian River Valley Pinot Noir comes from both Cameron Ranch and Sarelee's Vineyard.

There are less than 50 cases of our award winning 2006 J. Lynne Russian River Valley Pinot Noir left. This is the same wine which was awarded a GOLD medal at the 26th Annual West Coast Wine Competition. This 2006 J. Lynne Two Vineyard Russian River Valley Pinot Noir was the only Russian River Valley Pinot Noir which was awarded a GOLD medal in the \$18.99-\$29.99 price category!

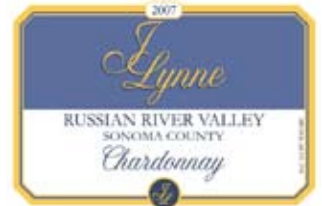

August is an exciting month for us for many reasons. We are eager for the upcoming harvest to begin as it looks like its going to be another exceptional vintage.

Our grapes are ripening slowly, and the Pinot Noir is completing verasion. Since our grapes are grown in the heart of the Russian River Valley, which is one of Sonoma County's cooler growing regions, our grapes have the luxury of enjoying a longer maturation period. This elongated growing season is one of the factors which help give our wines extraordinarily intense aromas and flavors.

We thank you for your interest and support, and hope you have the opportunity to enjoy a glass of J. Lynne Russian River Valley wine tonight.

Cheers,

Winemaker

CURRENT RELEASES

2007 J. Lynne Russian River Valley Chardonnay:

Cameron Ranch (Single vineyard)
Only 600 cases produced.

AVAILABLE NOW.

The Cameron Ranch is located in the heart of the Russian River Valley between River Road and the Mark West Creek, just east of the Martinelli property.

J. Lynne Russian River Valley Chardonnay was hand picked, and then whole cluster pressed, not crushed, to ensure the fruit was treated as delicately as possible. As always, the J. Lynne Chardonnay enjoyed more than 9 months in French oak prior to bottling.

2006 J. Lynne Russian River Valley Pinot Noir:

Cameron Ranch and Saralee's Vineyard (A blend of 2 vineyards)

LESS THAN 50 CASES ARE AVAILABLE.

Saralee's Vineyard is located just 3 miles west of the Cameron Ranch, at the cross of River Road and Slusser Road.

2006 J. Lynne Russian River Valley Pinot Noir was de-stemmed and loosely crushed to maintain as many whole berries as possible as it was transferred into tank. The juice was allowed to cold soak for several days prior to inoculation. Following primary fermentation, J. Lynne Pinot Noir enjoyed more than 6 months in French Oak prior to bottling.

The grapes from the 2006 vintage were left on the vine late into the growing season to ensure maximum maturity. Once the grapes were ready to be harvested, they were hand selected to ensure only the best fruit was chosen for these wines.
