## MESSAGE FROM THE WINEMAKER, JENNIFER WALL

**Happy fall & happy harvest!**

We are pleased to be sending you the third edition of the J. Lynne Russian River Valley Wines 2009 newsletter.

Here at J. Lynne Wines, we focus on making high quality, small production, hand crafted wines from the Russian River Valley. We've been doing this since the 2002 vintage.

It's hard to believe that harvest is here! In the midst of this crazy season, we had the opportunity to attend the Sonoma County Harvest Fair Awards Night Gala where our J. Lynne Russian River Valley Pinot Noir was awarded a GOLD MEDAL.

In fact, we are proud to announce that our 2007 J. Lynne Two Vineyard Pinot Noir was the only Russian River Valley Pinot Noir in the \$25 and under category to garner a GOLD MEDAL.

Since our last newsletter, 593 cases of our 2008 J. Lynne Single Vineyard Russian River Valley Chardonnay were bottled and released. This Wes Cameron Ranch Chardonnay was hand picked, whole cluster pressed and aged in French oak until it was perfect to bottle

and release. This Wentle clone Chardonnay captures the true essence of a Russian River Valley Chardonnay with tropical pineapple aromatics and flavors. This medium weight Chardonnay has a rich creaminess which complements the lingering crisp apple finish.

## CURRENT RELEASES

### 2008 J. Lynne Russian River Valley Chardonnay:

Cameron Ranch  
(Single Vineyard)  
Only 593 cases produced.

**Less than 550 Cases Available!**

The Cameron Ranch is located in the heart of the Russian River Valley between River Road and the Mark West Creek, just east of the Martinelli property.

J. Lynne Russian River Valley Chardonnay was hand picked, and then whole cluster pressed, not crushed, to ensure the fruit was treated as delicately as possible. As always, the J. Lynne Chardonnay enjoyed more than 9 months in French oak prior to bottling.

### 2007 J. Lynne Russian River Valley Pinot Noir:

Cameron Ranch & Saralee's Vineyard  
(A Blend of 2 Vineyards)  
Only 973 cases produced.

**Less than 350 Cases Available!**

Saralee's Vineyard is located just 3 miles west of the Cameron Ranch, at the cross of River Road and Slusser Road.

2007 J. Lynne Russian River Valley Pinot Noir was de-stemmed and loosely crushed to maintain as many whole berries as possible as it was transferred into tank. The juice was allowed to cold soak for several days prior to inoculation. Following primary fermentation, J. Lynne Pinot Noir enjoyed more than 6 months in French Oak prior to bottling.

The grapes from the 2007 vintage were left on the vine late into the growing season to ensure maximum maturity. Once the grapes were ready to be harvested, they were hand selected to ensure only the best fruit was chosen for these wines.
